Name: _____ Date: _____

Puzzle Picture

Addition · Grade 2

Solve each problem in its box. Then cut out the picture squares on the next page.
Glue each square on the box whose answer matches the number on the square.
Keep the number at the bottom. When every square is in place, color the picture!

16 + 76 =	18 + 56 =	29 + 62 =	26 + 55 =
32 + 38 =	39 + 55 =	24 + 47 =	79 + 17 =
58 + 27 =	27 + 17 =	17 + 33 =	27 + 38 =
29 + 25 =	39 + 39 =	27 + 57 =	24 + 16 =

Name: _____ Date: _____

Puzzle Picture

Addition · Grade 2

Cut along the dashed lines. Each number is the answer to one problem.
Glue the square on that problem, number at the bottom.
