Name _____

ROMAN NUMERALS PRACTICE

Use the chart if you need it. Remember: add when a letter is the same size or smaller than the one before it, and take away when a smaller letter comes in front of a bigger one.

A. READ THEM

Write each Roman numeral as a number.

III	= _____	VIII	= _____	6	= _____	12	= _____
XIV	= _____	XIX	= _____	24	= _____	36	= _____
XXVII	= _____	XL	= _____	45	= _____	58	= _____
XLIX	= _____	LXIV	= _____	77	= _____	83	= _____
XC	= _____	XCIX	= _____	94	= _____	110	= _____
CL	= _____	CDXLIV	= _____	509	= _____	1000	= _____

B. WRITE THEM

Write each number as a Roman numeral.

C. ROMAN NUMERALS IN REAL LIFE

Write the Roman numeral you would see.

A clock face shows the hour (4) _____

The year carved on a building (1776) _____

Super Bowl number in 2026 (60) _____

The year of the first Moon landing (1969) _____

Chapter number in a book (23) _____

A queen's name: Elizabeth (2) _____

D. FIX THE MISTAKE

Each of these breaks a rule. Write the number it is trying to show, then the right numeral.

~~VX~~ tries to show _____ right numeral _____

~~IL~~ tries to show _____ right numeral _____

~~XXXX~~ tries to show _____ right numeral _____

~~IC~~ tries to show _____ right numeral _____

~~VV~~ tries to show _____ right numeral _____

Challenge: Write this year as a Roman numeral, then your birth year.

This year: _____ My birth year: _____

ROMAN NUMERALS PRACTICE: KEY

Use the chart if you need it. Remember: add when a letter is the same size or smaller than the one before it, and take away when a smaller letter comes in front of a bigger one.

A. READ THEM

Write each Roman numeral as a number.

III	= 3	VIII	= 8	6	= VI	12	= XII
XIV	= 14	XIX	= 19	24	= XXIV	36	= XXXVI
XXVII	= 27	XL	= 40	45	= XLV	58	= LVIII
XLIX	= 49	LXIV	= 64	77	= LXXVII	83	= LXXXIII
XC	= 90	XCIX	= 99	94	= XCIV	110	= CX
CL	= 150	CDXLIV	= 444	509	= DIX	1000	= M

B. WRITE THEM

Write each number as a Roman numeral.

C. ROMAN NUMERALS IN REAL LIFE

Write the Roman numeral you would see.

A clock face shows the hour (4)	IV
The year carved on a building (1776)	MDCCLXXVI
Super Bowl number in 2026 (60)	LX
The year of the first Moon landing (1969)	MCMLXIX
Chapter number in a book (23)	XXIII
A queen's name: Elizabeth (2)	II

Many clocks show IIII instead of IV for 4. Both are seen on real clocks.

D. FIX THE MISTAKE

Each of these breaks a rule. Write the number it is trying to show, then the right numeral.

~~VX~~	tries to show	5	right numeral	V
~~IL~~	tries to show	49	right numeral	XLIX
~~XXXX~~	tries to show	40	right numeral	XL
~~IC~~	tries to show	99	right numeral	XCIX
~~VV~~	tries to show	10	right numeral	X

Challenge: Write this year as a Roman numeral, then your birth year.

Answers depend on the year: for example 2026 = MMXXVI and 2027 = MMXXVII. Check birth years with the chart (M = 1000, MM = 2000).
