Ben's Red Cap

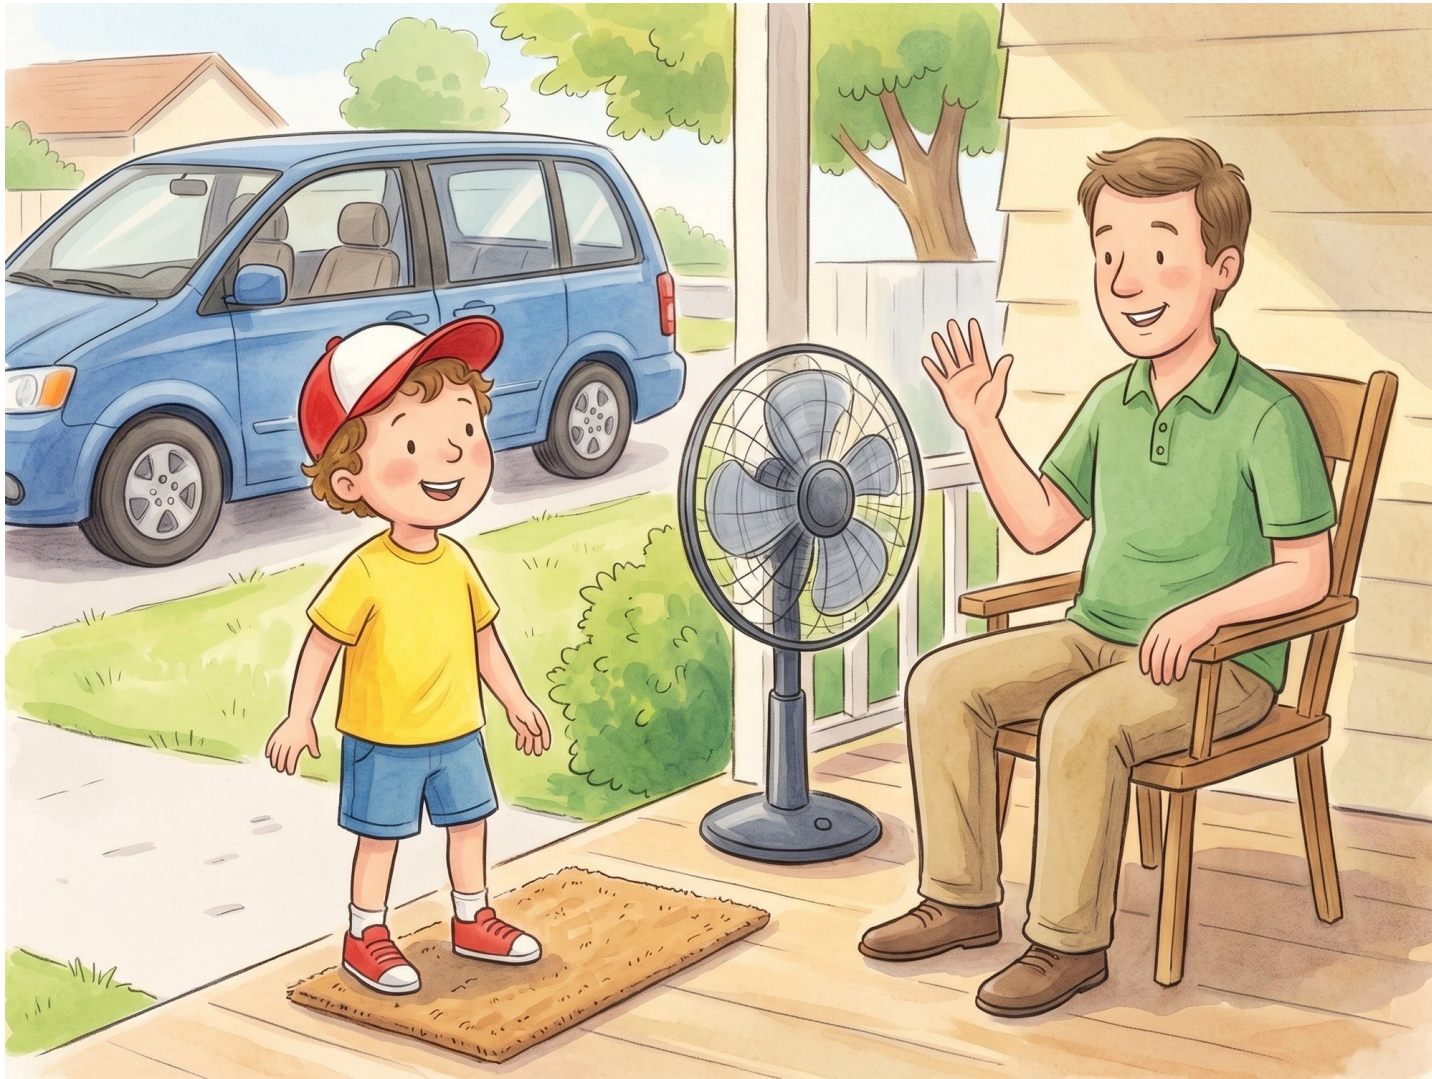

Ben had a red cap. But he could not find it. "I must get my cap," said Ben.

Ben ran to the van. The cap was not in the van. He ran to the mat.

The cap was not on the mat. Then Ben could see his dad. Dad sat by a big fan.

"Dad, do you have my cap?" said Ben. Dad had it on his lap! Ben got his cap and put it on.
