# Bet Helps Tom

Bet sat in the sun on a big rock by the pond.  
"Come sit with me, Tom!" said Bet. But Tom  
was too little.

He could not get up on the rock. But got a long log. She set one end on the rock. Tom ran up the log.

But the log was wet with mud. Tom fell back down. "I can fix it," said Bet. She tapped ten pegs into the log.

Tom set his legs on the pegs. He ran up the log. He got up to the top! Bet hugged Tom. Then they sat in the hot sun together.
