Brad's Box Train

Brad got a big box in the mail.

It was a plain brown box. "I will make a train," Brad said.

He laid the box on the grass.

His dog Gus ran up. Gus gave a wag of his tail.

"Sit, Gus," Brad said. "Do not step on my box!"

Just then, Brad felt a cold drop on his hand.
The sun was gone.

It was rain! "Oh no! My train will get wet,"
Brad yelled.

He got his box. Gus ran with him.
