

Brad's Red Flag

Brad was the boss on the path by the pond. He had a red flag. Kim and Pam chugged down the path. "Chug, chug!" they said. Brad flapped the flag up.

That was go! Brad held the flag flat. That was stop! Then the sun went down. It got dim. Kim and Pam could not see the flag.

Brad held it flat, but they did not stop. Bump! The flag shot out of his hand, and Brad fell on the grass with a flop. "We must have a new plan," said Brad.

He ran and got a lamp. "One flash is stop," he said. "Two is go." Flash! Kim and Pam stopped. Flash, flash! "Chug, chug!" said Kim and Pam. Off they went, past the pond.
