Chuck and the Stuck Duck

Chuck had a pet duck. His duck got stuck in the thick muck. It was stuck on a big rock.

"Oh no!" said Chuck. "I will get my duck back." Chuck got a big stick.

The stick was not thick. He had to tap and tap the muck. The duck got off the rock!

"It is my good luck!" Chuck said. The duck ran back to him. It set its neck on his leg.
