Chuck's Lunch

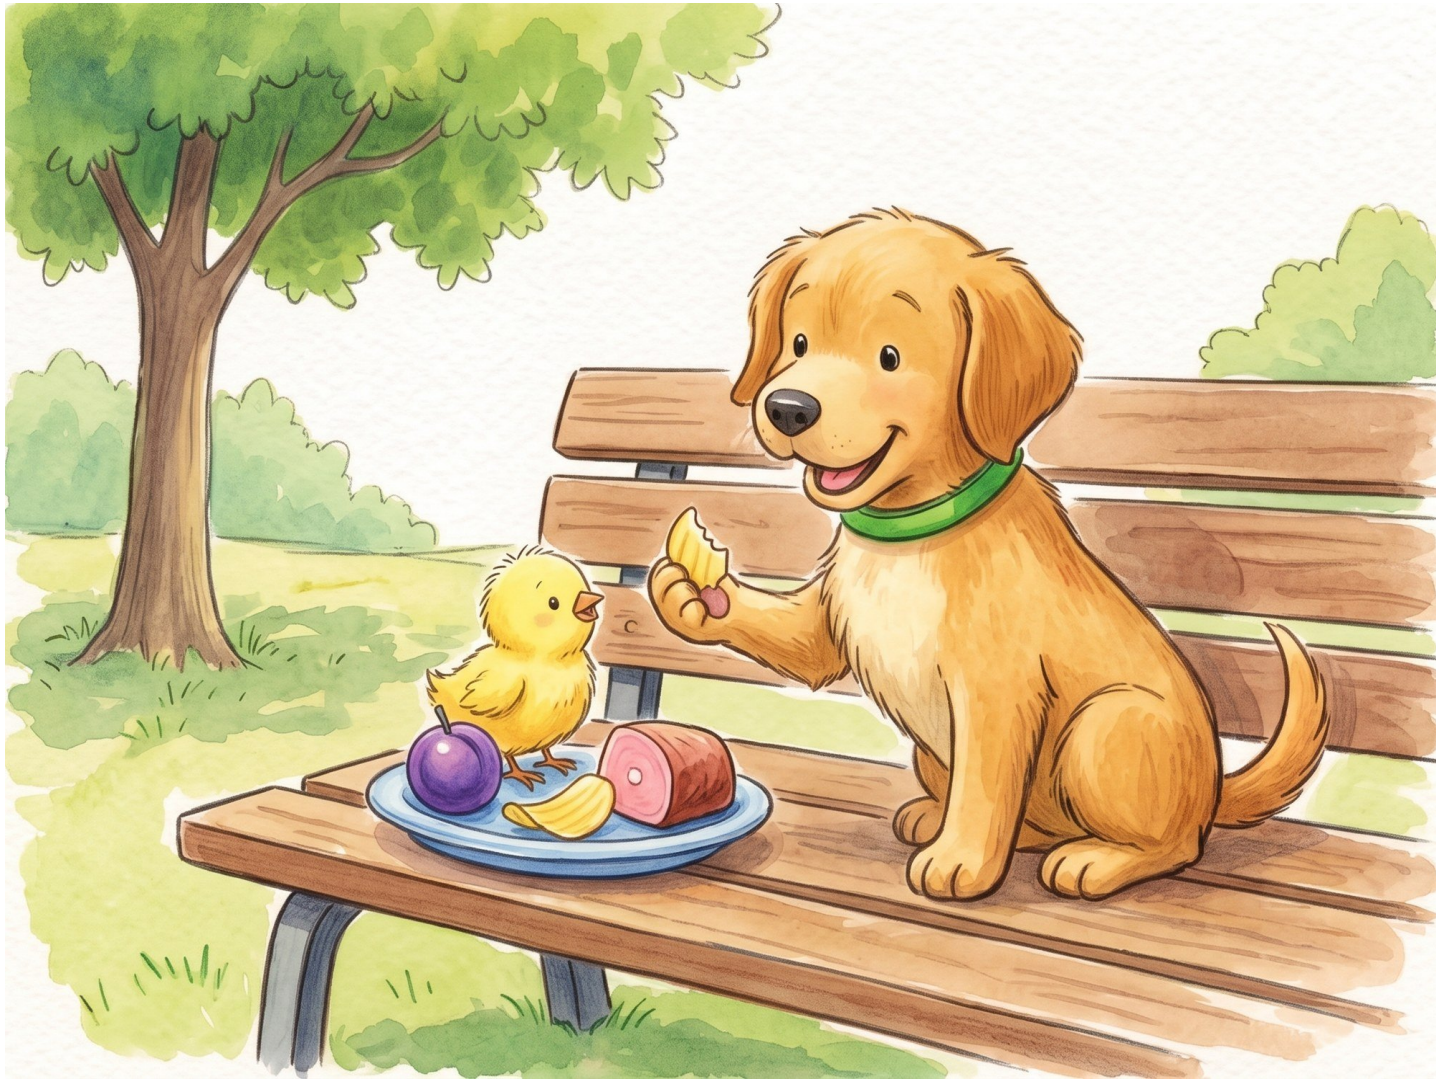

ch words

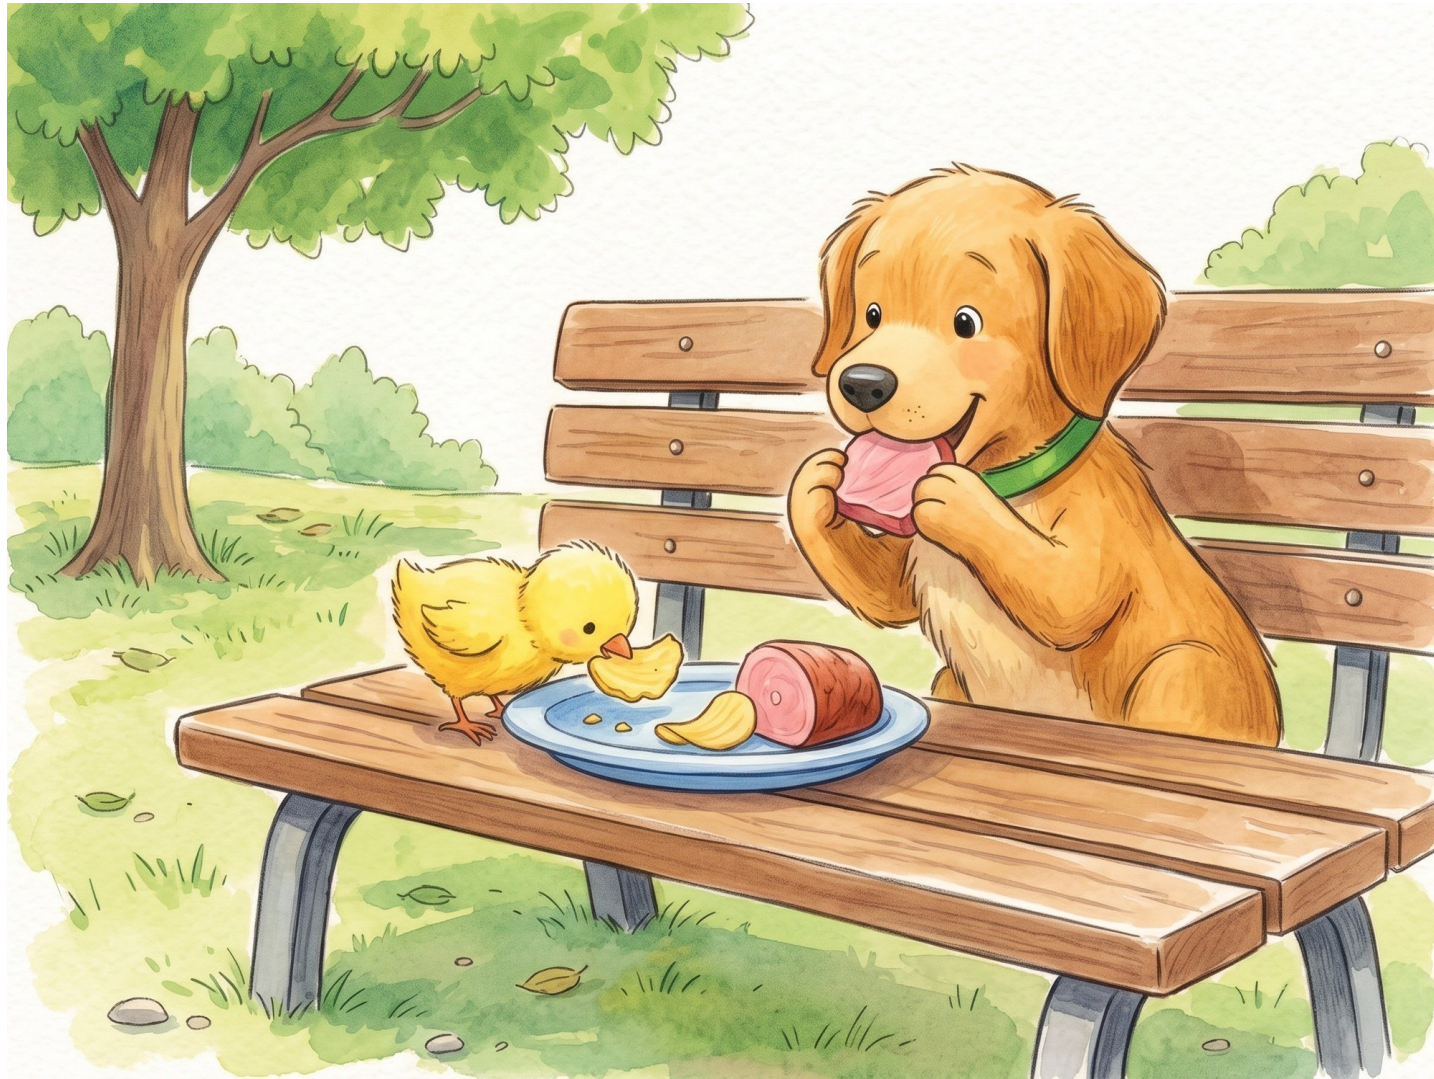

Chuck the pup had his lunch. He sat on a bench with a dish. He had a rich plum, a chip, and a big chunk of ham.

Chuck was all set to munch on his lunch. A small chick did hop up to the bench.

The chick sat on the dish. "Chip, chip, chip," said the chick. Chuck had a chin wag. "You can have this bit," Chuck said.

He let a bit of his chip drop for the chick. The chick had a munch on the chip. Chuck had his lunch, and the chick had a snack.
