Dan and His Cat

Dan had a cat. His cat was Pat. Pat sat on his red bed in the sun.

"Pat is too hot," said Dan. Dan and Pat sat on the rug. But a bad bug was on the rug.

It bit Pat! "Get off, bug," said Dan. Dan hit at the bug with a mop. The bug ran off.

Dan got a big fan and put it on. Pat was not hot. He had a good nap.
