

Dan Plays Tag

"Can we play tag?" Dan said to Dad. "I must pack this bag," said Dad. Dan was sad.

He ran to the mat. Pat the cat sat on the mat.
"Will you play?" said Dan.

Pat did not play. The fat cat had a nap. Then
Gus the dog ran in.

He wagged and wagged. Gus ran off with Dan's cap. "Tag!" said Dan. Dan ran after Gus.
