

Dan's Cloth Tag

A Digraph TH Decodable Book • Level 2 • Kindergarten-1st Grade

Class was done. Dan ran out on the grass. Beth and Thad went with him. "We can play tag!" said Dan. But Beth had a hurt leg. She had to sit on the bench.

Beth was glum. "I will not play if Beth can not play," said Dan. Dan sat still to think. Then he got a thick cloth from his bag.

He bunched the cloth up into a plush ball. "This is a new kind of tag," said Dan. "If the cloth hits you, then you are it!" Beth tossed the cloth from the bench.

It hit Thad on the back. Now Thad was it! Beth grinned. Thad ran to get the cloth. Dan ran fast on the grass. Beth sat and tossed, and all three had fun together.
