LEVEL 3

Dave's Brave Race

Dave and Jake had a race.

They ran from the big red gate to a cave by the lake.

"I will not be late!" said Dave.

"The race is my game to win!" said Jake.
They ran and ran.

A big wave came up from the lake and got Dave wet!

But he was brave.

He made it to the cave. "You win!" said Jake.

"What a fun race." Dave gave a glad wave back.
