Don and the Hog

Don was hot. He ran to the pond. A big log was in the pond. Don ran to sit on it.

But a fat hog sat on the log! "I can not sit,"
said Don. "Hop off, hog!" The hog did not
hop.

He just sat. Don got a cob. He tossed the cob
in the mud. The hog got up.

He ran to the mud to get the cob. "Yes!" said Don. Don got to sit on the log.
