Don and the Tin

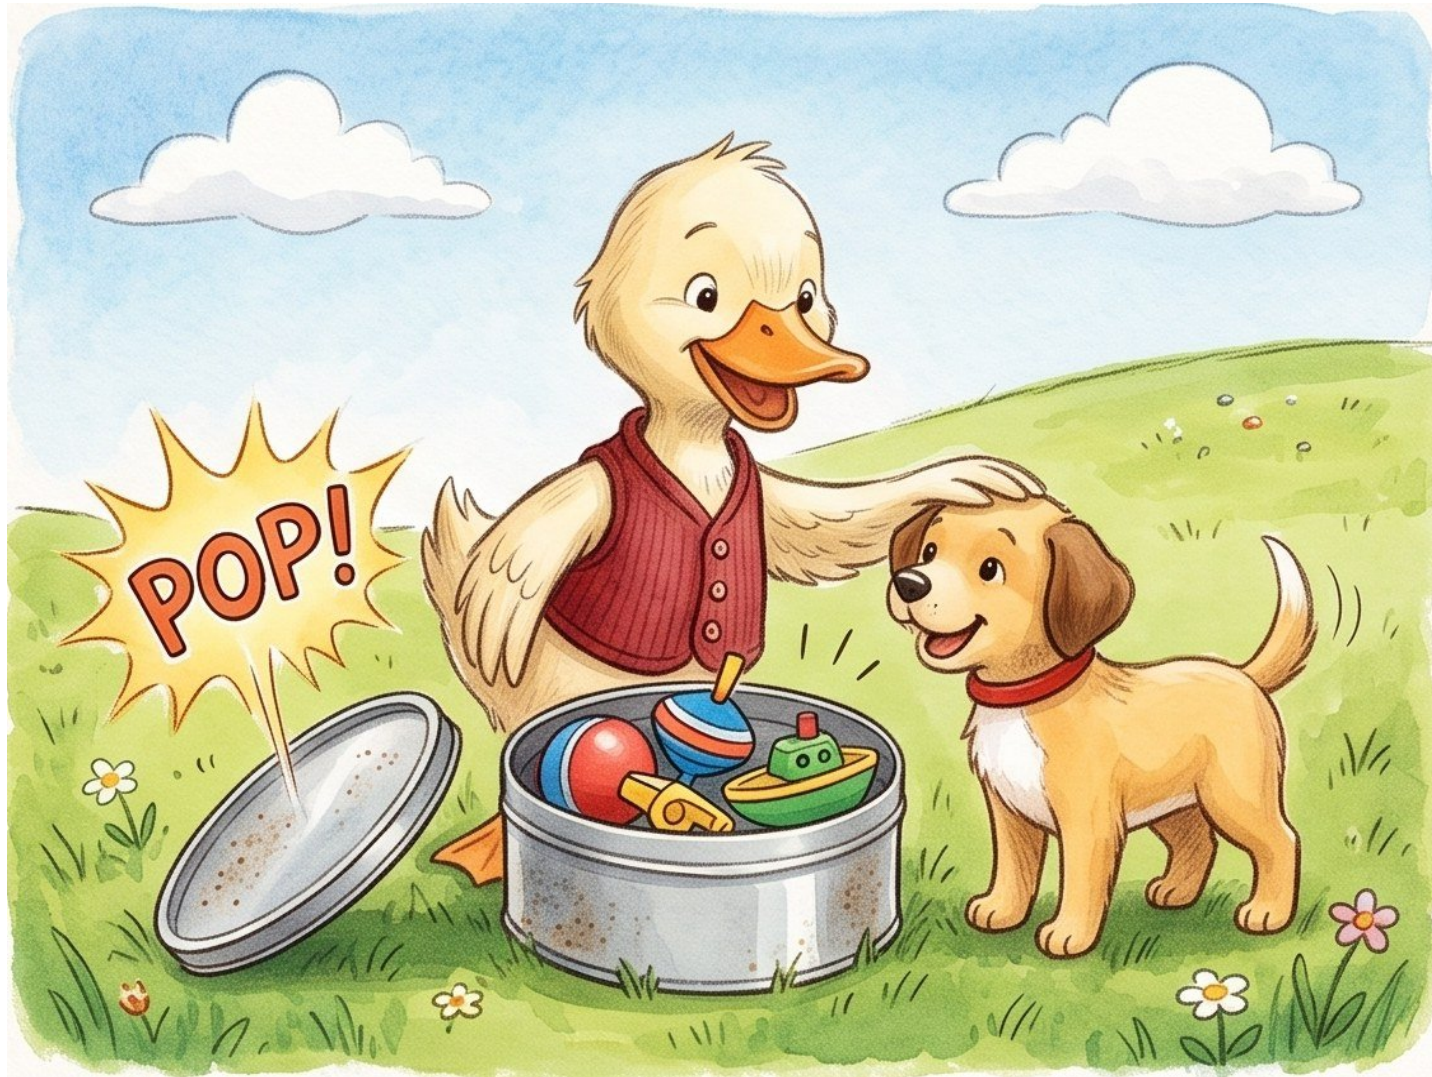

Don ran to the hill. "Sit here and dig, Gus," said Don. Gus sat. He dug fast.

Don hit a rock. "We must not stop," said Don.
Gus dug past the rock. He dug up a big tin!

Don had it. It was a good fit in his hand. Don hit the tip of the tin.

Pop! Off fell the lid. A fun kit was in the tin!
"Good dog," said Don.
