Don in a
Net

Pam ran to the bog. Don was in a big net! The net was on his legs and his tum. Don ran and ran.

The net got in a big mess. "Sit, Don!" said Pam. "Sit and let me get it off. Do not run."

Don sat in the wet mud. Pam got the net off his tum. Then she got it off his legs, one leg and then the next leg.

Don was out! "Yes! I am not in a net!" said Don. Don hugs Pam. Pam put the net in her red bag.
