Gus Tugs the Rug

Pam and her pup, Gus, sat on a rug in the sun. Pam had a big bun for fun.

But a bug lit on the rug! The bug ran up on the rug. “Oh no!” said Pam. “A bug is on my rug.”

Gus had a job. He got up. Gus bit the rug and got it a big tug. Tug, tug, tug!

The bug fell off the rug and into the mud.
"Good pup, Gus!" said Pam. She sat and fed
Gus his bun.
