Gwen's Grand Plum

Gwen and her Gram sat in the sun. A big, red plum was up on a stem. Gwen had a plan to get it.

She did a big hop, but she did not get the plum. “I can not grab it,” said Gwen. Gram had a big stick.

“Get a grip on this,” Gram said with a grin. Gwen got the stick. She hit the stem with a tap.

Plop! The red plum fell. “I got it!” said Gwen.
She had her plum and was so glad.
