Gwen's Pink Shell

Gwen had a wish. Her wish was for a pink shell. She had cash in her bag. Gwen had to rush to the shop.

"The shop will shut soon!" she said. She ran fast. Gwen got to the shop. She had to push to get in.

She got the shell with her cash. It had a little ship on it! Then she fell. The shell went into the mud.

"I must wash it," said Gwen. She set the shell in a big dish. She got a wet rag to clean it. Now the pink shell was clean!
