

Hal's Back Full of Nuts

A CVC Review Decodable Book • Level 1 • Kindergarten

It was fall. The sun was dim and not hot. Nuts fell on the hill. Hal had to get the nuts to his den in a log by the time it got cold.

He put the nuts in his red bag.
But the bag had a rip. The nuts
fell out!

His pal Jim ran up to help. Jim
could carry just one nut at a
time. "I can fix this," said Hal.
He got down on his back on the
nuts.

He got up with nuts on all the pins on his back! Hal jogged to the log. Soon the den was full. "We did it!" said Jim.
