Jane's Huge Fort

Jane made a huge hut. She used a big box and a long tube.

It was the best hut. Jane grabbed her flute to play a tune.

She did not know how to play it well.

The tune was not cute. It was a rude tone!

Jud ran and hid. "Stop that tune!" Jud yelled.
"It hurts my skull."

Jane felt bad. She put the flute down. "It is a rule," she said.

"No rude tunes in my hut." Jud came back to the hut.

He gave Jane a big hug. Then they played in the huge hut together.
