Jen and the Pug

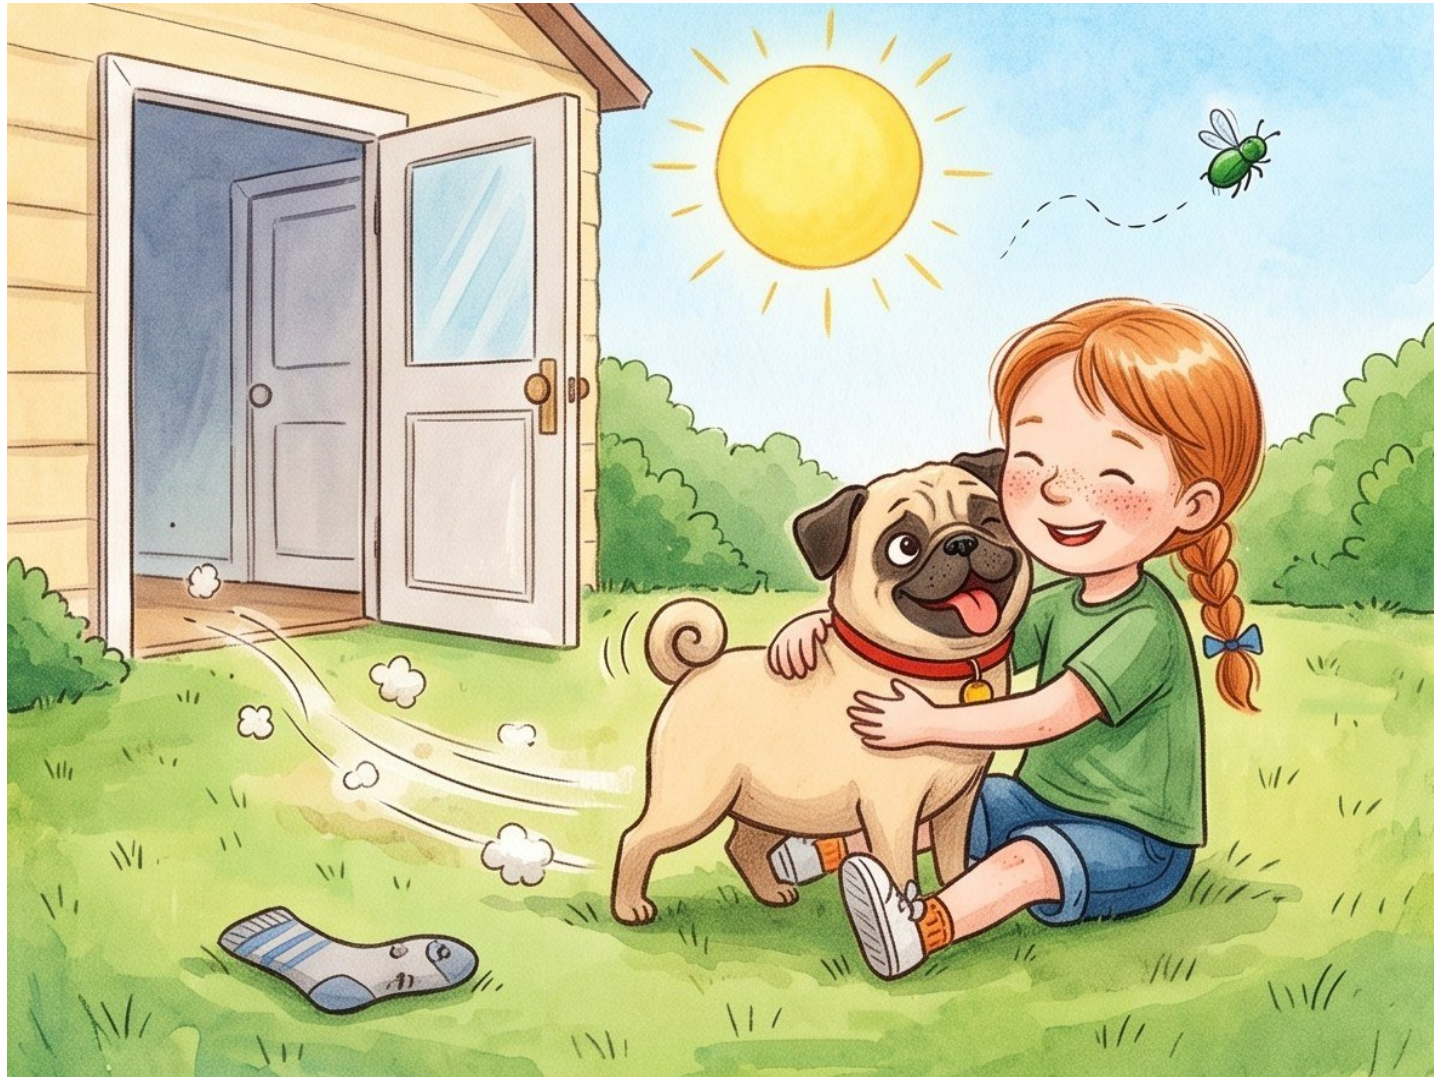

Jen had a pet pug. He sat on a big red rug.
"Come run in the sun," said Jen.

But the pug did not get up. Jen got an old sock to tug. "Let us play," she said.

He did not tug. He just dug at the rug. Then a bug got on the rug.

The pug ran fast! He ran into the sun. "That is fun," said Jen. She sat by him for a hug.
