

Jen's Sled Run

A L-Blends Decodable Book • Level 2 • Kindergarten–1st Grade

Jen had a red sled and a grand plan. Jen was on a big hill. Jen had a wish for the sled. It had to be fast.

She set a blue flag on a flat block. "I will not slip and crash," said Jen. Jen sat on the sled. But then a fat, black slug slid up. Plop!

It sat on the tip of the sled. "Oh no!" said Jen. "A slug is not fast." The slug did not get off. Jen had a new plan. Jen did push the sled a lot.

They did not slip. The sled sped down! The black slug held on fast. They went past the blue flag. Jen was so glad. "We did it!" said Jen.
