

Jim’s Big Rip

Jim had a big rip in his red hat. Jim had a wish to play. "I can not," he said.

"Not with this big rip." Jim was sad. His mom had a kit with a pin in it. Jim got a pin.

He put the tip in the rip. It did not fix it.
"This is not it," said Jim. He got a big pin.

He put the big pin in. "I did it!" he said. He put his hat on. Jim ran to his pal.
