# Kate's Huge Kite

Kate had a huge kite. It was red and blue.

She wanted to make it fly. "I hope it will go up today," Kate said.

She got on her bike for a fast ride to the lake.

Her cute dog, Dot, ran by her side. At the lake, Kate set up the kite on the sand.

But Dot thought it was a fun game. Dot ran up and grabbed it with her teeth.

"No, Dot!" yelled Kate. "Drop it! That is not a bone!"

Dot let go and ran away to hide in the tall grass. Kate fixed the kite.

A big gust came by. She let the kite go. It flew up, up, up! "Look at it ride!"
