Kim's Truck Trip

Kim had a red truck. Kim had a plan for a trip. The truck had a trunk on it.

Kim got a big, fun treat. But the treat was not a fit in the trunk! "Oh, no," Kim said.

"This is a trick." Kim sat and had a big plan.
"I will trim it," she said. Kim got a clip. Snip,
snip!

Kim did trim the treat. Then she got it in the trunk. The truck was set for a trip on the track.
