

# Kim's Whisk Mix

A Digraph WH Decodable Book • Level 2 • Kindergarten–1st Grade

Kim had a wish for a big bun.  
"When can we fix it?" she said  
to Dad. Dad got a big bag.

He set it on the top, but his hand slid. Wham! The bag hit the dish. A puff of white stuff got on the mat. "Oh no!"

"Where did it go?" said Kim. Dad had a look at the mess. "It is not a lot. Just a bit of it got out," he said.

So Kim and Dad did rub the mat.  
Then Kim got to whisk, whisk,  
whisk the mix in her dish. Her  
whisk had a whiz.

## Words in This Book
