

Kim's Whisk Mix

Kim had a wish for a big bun. "When can we fix it?" she said to Dad. Dad got a big bag.

He set it on the top, but his hand slid. Wham!
The bag hit the dish. A puff of white stuff got
on the mat. "Oh no!"

Where did it go?" said Kim. Dad had a look at the mess. "It is not a lot. Just a bit of it got out," he said.

So Kim and Dad did rub the mat. Then Kim
got to whisk, whisk, whisk the mix in her dish.
Her whisk had a whiz.
