Kit's Lucky Rock

ck words

Kit had a big red sack. Kit had to pack it. Kit got a sock and a snack. Kit got a big pet rock.

But the sack had a big bump in it! The lock was not on the sack. “Oh, no!” said Kit. “My pack is a mess.” A duck sat on the dock.

The duck had a long neck. It let out a big honk. Kit had a plan. Kit can fix it! She got the sock. She set the rock in the sock.

Then the sock was in her pack. It fit! The pack shut with a click. “Yes!” said Kit. “My pack is set. And a thank you to the duck!”
