Nan Hums in the Shed

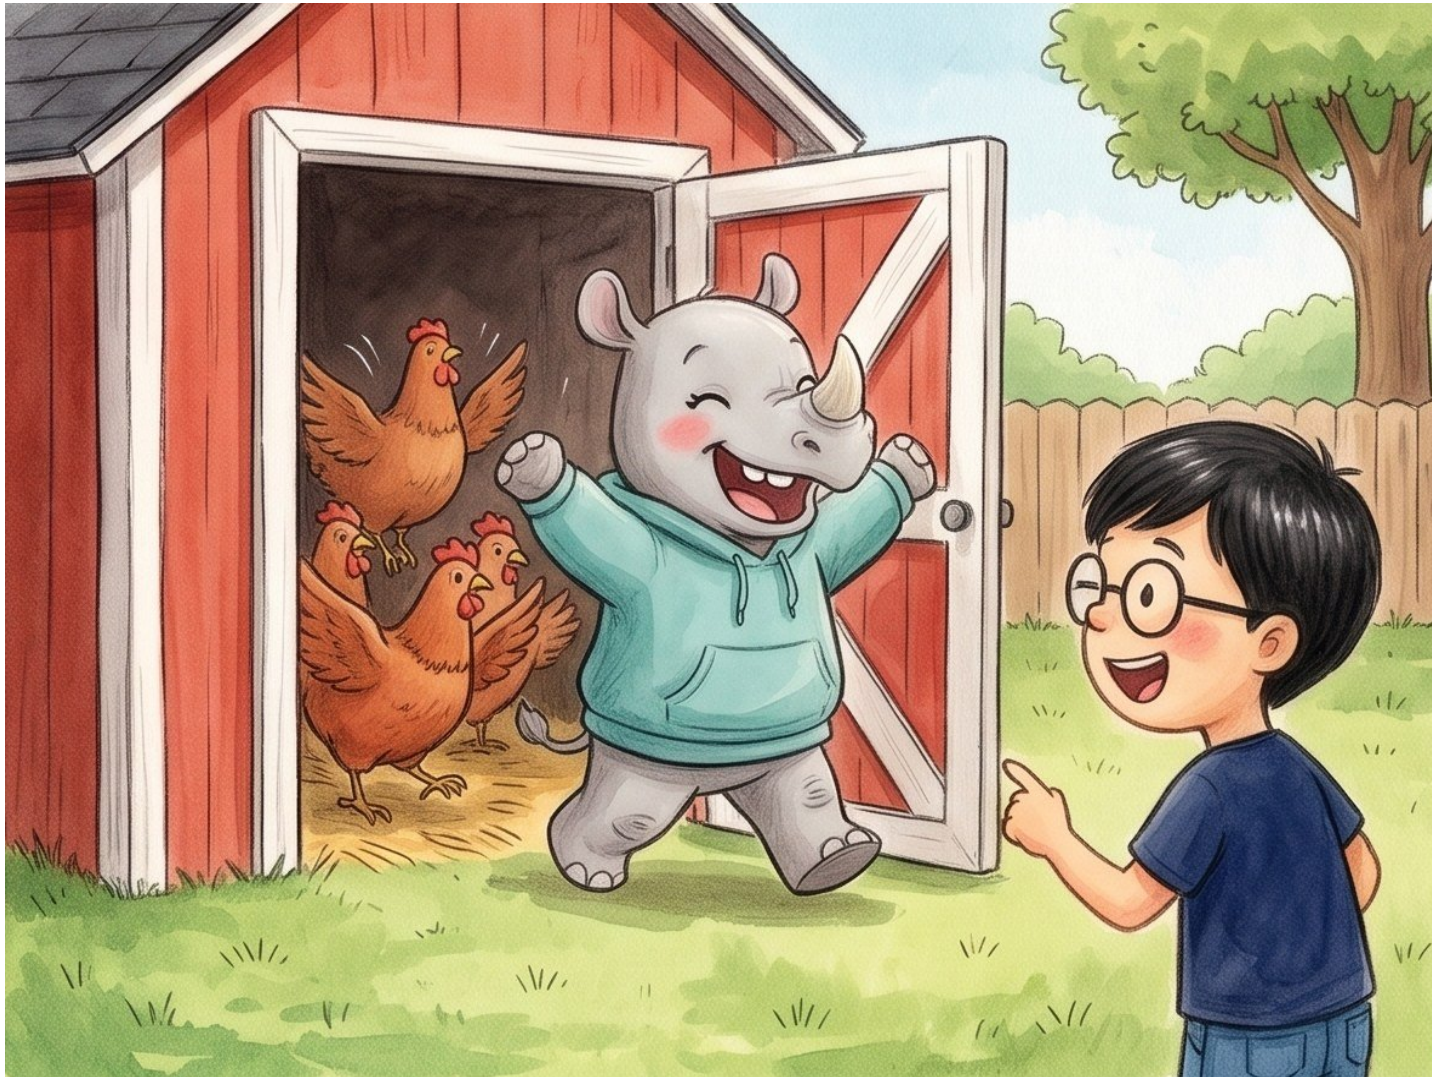

Nan and Dan had fun at Pip's. Nan hid, and Dan had to find her. Nan wanted to win just once. Nan hid in a big tub. But Nan liked to hum.

Hum, hum, hum. "Hush!" Nan said. But she could not stop. "I can hear you!" said Dan. He got to her fast. Then Nan hid by a log. Hum, hum, hum.

Dan got to her fast again. "I must find a better spot," said Nan. Pip's hens were in the shed. Nan ran into the shed and shut the door. Hum, hum, hum went Nan.

Cluck, cluck, cluck went the hens! Dan could not hear Nan at all. He looked and looked. At last Nan pushed the door open. "Here I am!" she said. Dan grinned. "You win!"
