Nan Yells Check

A Digraph CH Decodable Book • Level 2 • Kindergarten-1st Grade

Printable Scholar Readers

Nan and Liv sat on a bench by Liv's hut to play chess. Nan was quick. She slid her men fast with a big yell. But she did not look at Liv's plan.

Liv was not fast. She rubbed her chin and did not rush. Nan lost again and again. "How can you win so much?" said Nan. "I stop and think," said Liv.

"I look at all your men." So Nan rubbed her chin too. She looked at each of Liv's men. She did not rush, and she did not yell. The match was long.

Then Nan saw a way in. She slid her man up. "Check!" she said with a big yell. Liv grinned. Nan and Liv laughed and set up the men to play again.
