Pam's Wet Lamp

Pam and Dan sat in the tent. Pam had a lamp.
Pam let it tip, and it fell in the mud. It got
wet!

"It will not get lit," said Pam. Pam set it on a big rock in the sun. The sun was hot, hot, hot.

Pam and Dan sat and sat. Then Pam got it.
Pam did a pat on the top. It was not wet!

Then the sun set. Pam lit the lamp. "It is lit!"
said Dan. Pam and Dan can see in the tent.
