Pip in the Mud

Pip the pig was hot in the sun. A pit of wet mud sat by a log. Pip ran to it. The mud was fun to sit in!

Pip got mud on his legs and on his back. Then Pip had a wish. “I will get on top of the log!” he said.

Pip got up on the log, but he fell back in the mud! His pal Gus the dog ran to help.

Pip got up. He did not stop. At last, Pip sat on top of the log! Gus did a big wag. “That was fun!” said Pip.
