Pip's Big Fig

Pip was a big pig. He ran to dig in the wet mud. "I will dig here," said Pip.

Pip dug and dug. His legs got wet with mud.
He did find a big fig in the mud.

"It can fit in my bin," said Pip. He put the big fig into a tin bin.

Pip did a jig as he got the big fig. Then he sat by his bin. "This is a good day," said Pip.
