Pip Gets a Fig

Pip was a big pig. He sat on a green mat in the sun.

Pip could see a big fig up on a top tip. He did want to eat it. But the fig was too far up.

Pip got a long pin. He hit the fig with the long pin. The fig fell down into a bin.

Pip ran to the bin. "Yes! I win!" said Pip. He sat back on his mat and ate the big fig.
