

Pip's Spud Spot

Pip had a spud. He had a plan
for his spud. Pip got his spade
and ran to a spot in the sun.

He dug his spade in the mud. Wham! His spade hit a big, stiff rock. A spark shot up. "This spot is bad," said Pip.

Dad ran to him. "You can get a top spot," said Dad. "Do not give up." Pip ran on. Then he got a good spot with wet mud.

He dug a big pit for his spud. Pip
put the spud in and had a grin.
It was a top spot.
