Pip's Spud Spot

Pip had a spud. He had a plan for his spud.
Pip got his spade and ran to a spot in the sun.

He dug his spade in the mud. Wham! His spade hit a big, stiff rock. A spark shot up.
“This spot is bad,” said Pip.

Dad ran to him. “You can get a top spot,” said Dad. “Do not give up.” Pip ran on. Then he got a good spot with wet mud.

He dug a big pit for his spud. Pip put the spud in and had a grin. It was a top spot.
