Red the Hen

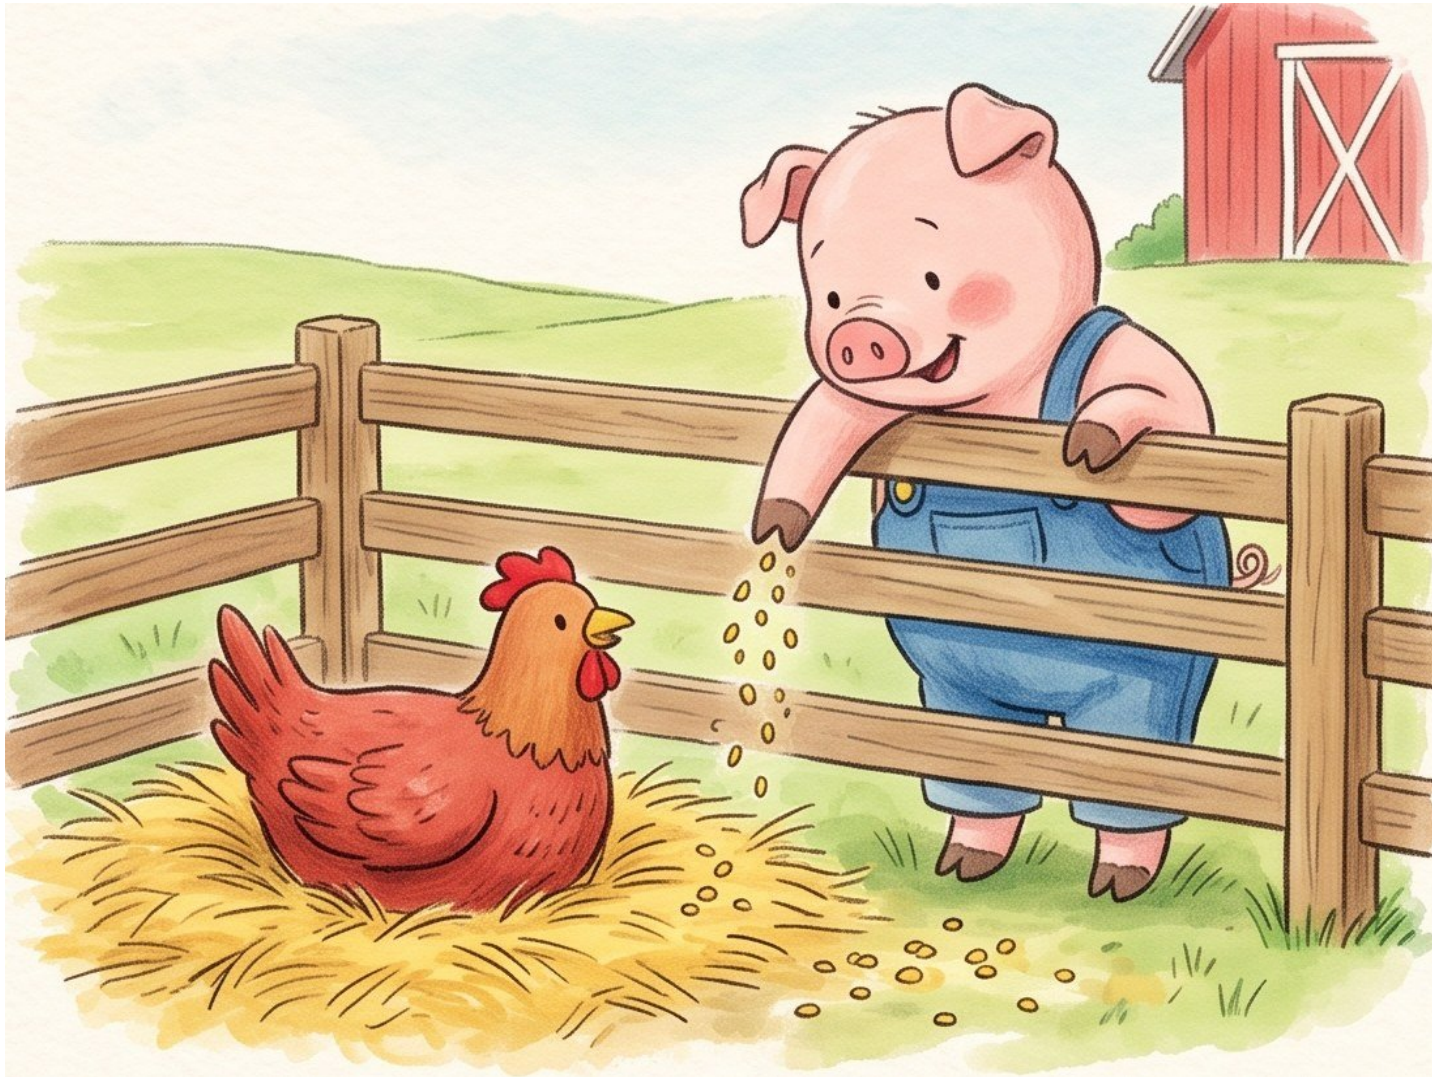

Pip had a pet hen. The hen was red. Red got out of her pen. Her legs got wet. Pip had a big net.

Red ran and ran. Pip ran to get her pet. But she did not get Red. Pip set the net on the grass.

Pip had a good tip. She set a dry grass bed in the pen. “Rest, Red,” said Pip. The wet hen did not run.

The grass bed was not wet. Red got in the pen. Red sat on the bed. Pip fed her pet.
