

Rob Helps Max

The sun had set. Rob sat in his nest. Max sat on the hill. Max was sad.

"I ran and ran," said Max. "Dad is not on the hill! I am lost." "I can help," said Rob.

Rob got up, up, up. Rob can see Max's dad!
He is at the pond. Rob hops to Max.

Max ran to his dad. Max and Dad hug. Rob sat on top of Dad. Max is not sad.
