

Ron and the Big Bat

Ron had on a red wig. He hopped to the top of the dim hill to get Tom. But a big, big bat was on Tom's hut!

"Oh no!" said Ron. He hid in a log. Then he hid in a tub. But the bat did not fly off. Then Ron had a look. It was Tom!

He had on a cap like a bat. He was by a lit lamp. "That is not a bat, Ron," said Tom. "My lamp can make my cap look big on the hut."

Come sit by my lamp." Ron set his wig by the lamp. "Look at the hut! My wig is as big as a hill!" said Ron.
