

Scott's Big Poll

Scott sat in class with his pad and pen. "Which is best, chess or catch?" he said. He had to know. Scott had a chat with each pal. "Chess!" said Chad.

Scott put a check on his list. "Catch!" said Chuck.
Scott put a check for catch, too. Jen said chess.
Kim said catch. Scott had a look at his list.

Two for chess. Two for catch. "Oh no," said Scott. "Which one wins?" Scott rubbed his chin. Then he grinned. "I did not ask myself!"

He put one last check on his list. "Chess wins!" said Scott. So they all had a chess match. Then they ran out to play catch. "That was so much fun," said Kim.
