sh words

Shad had a wish for cash. He wanted to buy a red fish. His mom had a job for him.

“You can wash this,” she said. Shad got on a big red box. A gush of water hit the dish.
Wham! Gush!

Shad did a good job. He did not rush. He got his rag and did a swish, swish, swish on a dish.

Mom had the cash. “Good job Shad, now you can get your wish of a big red fish!”
