Shelly and the Shag

Shelly had a big dish of fish. It was for her pet, Shag. Shag was in the shed.

“I wish you can get this!” said Shelly. Shag ran from the shed in a rush to get the fish. The dish did tip.

“Hush, hush!” said Shelly. “I do not wish to drop this!” Shag did stop. He sat. Shelly had a big grin.

She set the dish down. Shag had a big snack of fresh fish. Then Shelly ran to wash the dish.
