Thad Packs Up

th words

Thad had to get a bag. He and his dad had a plan. "The path is a bit chill," said his dad.

Thad had a big bump in his chest. What can I get? Then he got his math pad. On the math pad was a thick red cloth.

"Yes! That is it. That is the thing to get with the rest," said Dad. Thad put the thick cloth in his bag. Then he was set.
