The Nut in the Rug

Pip the pig had a big, hot bun and a nut. But the nut fell! Pip ran to his mat.

His mug and jug sat on the mat. No nut. He ran to his cot. His cot was in the hut.

But no nut. He sat on his big red rug. He felt a bump in the rug. Pip set his bun on the rug.

He had a big tug. His nut! He put the nut on his bun. It was so much fun.
