Tim and the Bug

Tim was very hot. He ran to a big log. "I will sit here," said Tim.

But a big red bug was on the log! "Oh no," said Tim. "I can not sit with a bug."

Tim got his net and a cup. He let the bug hop into the net.

Then he put the bug in the cup. "Now I can sit," said Tim. He sat on the log and had a rest.
