Val had a plan to make a big snack. "What can I whip up?" she said. Val got a big dish and a whisk.

"When will it be a good mix?"
she said. Whiz, whiz, went the
whisk. Val spun it fast.

But the wet dish slid from her
hand. Wham! It hit the rug.
"Why did that drop?" said Val.
"Where is my fresh snack?"

She had to stop and scrub the whole rug. "I will just eat a plum," said Val with a sad nod.
