Viv Is Up

The sun had set, and it was dim. Viv was up!
All the pals were in bed. "Can you run with
me?"

Viv said to a fox cub. The cub did not get up.
So Viv had fun. Viv dug in the mud.

Viv sat on a log. Viv did hum. Viv had a nut.
Then the sun was up. The cub got up.

"Run in the sun with me!" said the cub. "Not now," said Viv. "I will nap." Viv got in bed. The cub had a hug for Viv.
