LEVEL 1

Wes and the Sand Hill

Wes ran to the sand hill by the pond. "I can run to the top!" said Wes. But the sand ran down, and he fell down.

He ran up and fell, then ran up and fell! Wes was sad. He sat by the pond and dug in the wet sand.

It did not run down! Wes had a jug in his bag. He put the jug in the pond. Then he ran to the hill.

Tip, tip! The sand got wet. Pat, pat, pat! Wes hit the wet sand. Wes ran up and got to the top! "I did it!" said Wes.
