

Zed's Big Fib

Fen sat by the pond. Zed had a map. "Dig at the red dot," said Zed. "You will find a big box!"

But that was a fib. Fen dug and dug, but she just got sand. Fen was sad. Zed did not like that.

He got his best tin *c*a*p* from his nest. He hid it in the pit. Fen dug in the pit.

Tap! "A cap!" said Fen. "The box was a fib," said Zed. "But the cap is for you." Fen put it on.
