What Is a Noun?

Read this together before the worksheets. Point to each picture and say its name.

A noun is a word that names
a person, an animal, a place or a thing.

Person

Who is it?

kid **king** **queen**

In a sentence:

The **king** sat down.

Animal

What animal is it?

dog **owl** **frog**

In a sentence:

A **frog** can hop.

Place

Where is it?

house **tent** **igloo**

In a sentence:

We sleep in a **tent**.

Thing

What is it?

hat **bus** **cake**

In a sentence:

My **hat** is red.

Ask: is it a person, an animal, a place or a thing? Then its name is a noun.
